### **C 20 043 Design change and production relocation on Air Filter for Fiat Ducato applications**

MANN-FILTER changes design and look of the Air Filter C 20 043 for Fiat Ducato 2.2 Multijet applications manufactured 07/2021 onwards:

- White pre-filter fleece instead of black
- PUR foam end discs in typical MANN-FILTER pink instead of orange colour

As part of the design changes, the country of manufacture of these elements has also changed from Italy to Germany.
