

**OUR COMPLETE SET FOR
TESLA MODELS S, 3, X
AND Y**

MEYLE no.: 70-16 135 0001

OIL CHANGES FOR ELECTRIC CARS? ABSOLUTELY!

If changing the oil of a Tesla is an enjoyable experience, you can bet our oil change kit for the drive unit is involved, which contains all the necessary parts, from the correct filter to the screw plug with integrated magnet.

The MEYLE oil change kit makes servicing the drive unit an absolute pleasure.
