OIL CHANGES FOR ELECTRIC CARS? ABSOLUTELY!

OUR COMPLETE SET FOR TESLA MODELS S, 3, X AND Y

Running like a well-oiled machine. Our complete MEYLE oil change kit for the Tesla drive unit is in a class of its own and comes with all the necessary parts. Without the needless hassle.

/ Tesla complete

The MEYLE oil filter set contains everything you need, from the correct filter to the appropriate screw plug with integrated magnet. 'One kit fits all.'

/ Top quality

All the parts in the oil change kit conform with both Tesla OE standards and our own standards and therefore deliver the very best quality.

/ Well positioned over the long term

The MEYLE oil change kit can expand the services provided by independent workshops – and makes it an absolute pleasure to reliably and efficiently service Tesla models S, 3, X and Y.
