

## TRW Service Kit JKR100

If a Delphi pump/steering rack or a TRW hydraulic pump Generation 1 fails, it can only be repaired with the service kit JKR100.

This kit consists of a steering rack, hydraulic pump and two hydraulic pipes. An additional electrical adapter cable is attached, which you'll need to fit to the new pump unit.

### Affected vehicles are manufactured from 1998

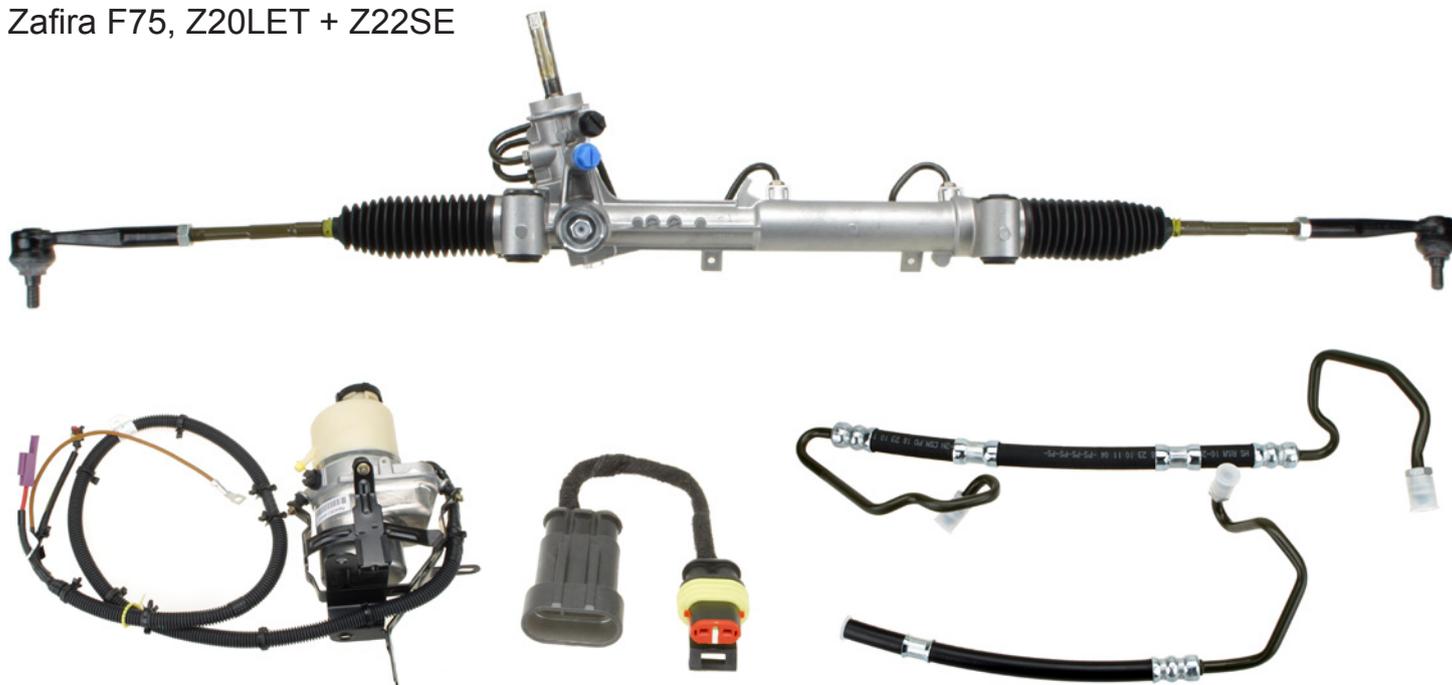

Astra, Coupe, Zafira up to chassis number Y2256499, Y5280066, Y81376808 with Delphi pump
