

Tech Talk

There are **two different flywheels depths & clutch kits** on this vehicle due to O/E changes.

The correct clutch & flywheel can be verified either through engine numbers, or measuring flywheel depths.

This clutch is **not** suitable for
Engine No.s **0000001 -> 2494873**

O/E Fitted flywheel depth **-8.8mm.**

This clutch **is** suitable for
Engine No.s **2494874 -> 3740424.**

O/E Fitted flywheel depth **-11.6mm.**
