

Service Info

Deflection pulley 532 0723 10

Manufacturer: Renault

Model: Megane III, Megane CC,
Scenic III, Grand Scenic III

Enginecode: H4J 700

Part no.: 532 0723 10

OE number: 119230001R (plastic pulley)
119238274R (metal pulley)

Renault installs two different versions of the deflection pulley in the accessory unit drive in the models specified above (image 1). The vehicles can be equipped with a deflection pulley made from either plastic or metal.

Image 1: Both versions of the deflection pulley

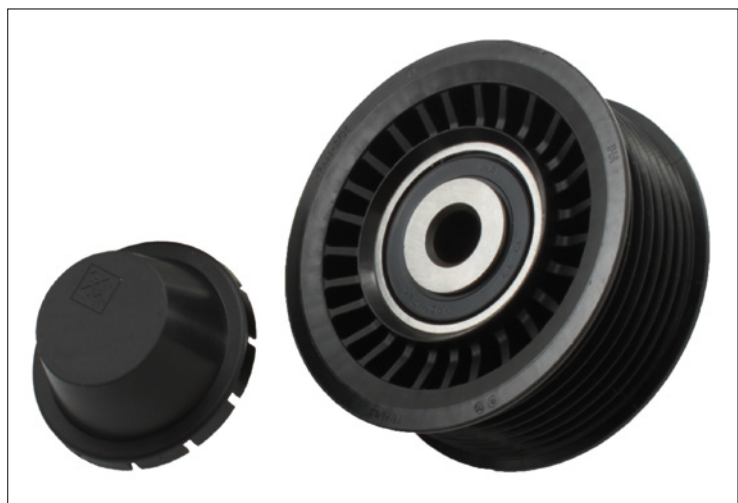

Image 2: INA deflection pulley made from plastic with dust cap

Schaeffler Automotive Aftermarket offers a deflection pulley made from plastic for all models (image 2). This pulley meets all technical requirements in full and can be used without any problems in all vehicles.

The deflection pulley made from metal can be replaced with one made from plastic without any restrictions.

Observe the specifications of the vehicle manufacturer!
