For the vehicles specified above, there are two versions of the timing belt on the market. If ordering from a competitor, the relevant tensioner pulley must be used for each corresponding version of the timing belt.

Schaeffler Automotive Aftermarket covers both versions of the timing belt with its tensioner pulley 531 0409 30 (image 1).

The tensioner pulleys meet the technical specifications and can be used without restrictions on the specified vehicles.

Please observe the vehicle manufacturer specifications!
