For current listing refer to catalogue media

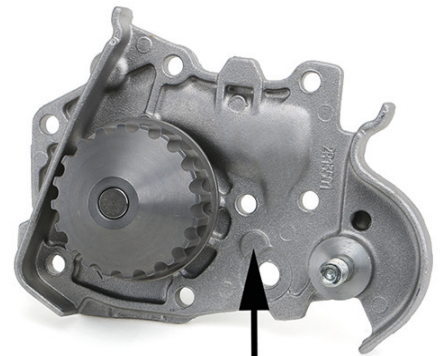

Figure 2: New design

Coolant pump 538 0021 10 has been modified. In the new design, one of the holes in the housing has been eliminated (Fig. 2).

During the transition phase, stocks may become mixed with both new and old design parts.

Both versions meet the technical specifications and can be used without restriction.

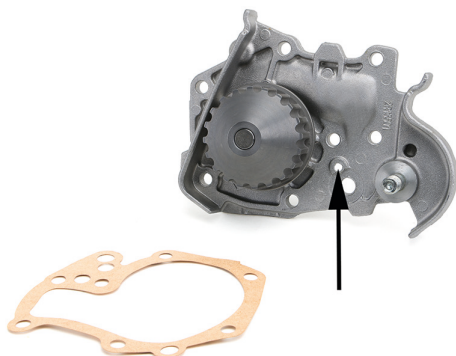

Figure 1: Old design

Please observe the vehicle manufacturer specifications!
